CHAPTER 5:1 HOW DIVINE PROVIDENCE WORKS

by Rabbi Yaakov Feldman

Derech Hashem - The Way of G-d 2:5:1

Till now we've been discussing the rules G-d Himself set up for our interactions with Him and His with us [1]. From now to the end of the chapter we'll touch upon the mechanisms He set up to implement those interactions [2].

But let's first cite the fact that G-d interacts with the world on two levels overall [3] there's His perception of things, and His influence upon them.

Footnotes:

[1] As when we discussed why the righteous sometimes suffer and the wrongful succeed, why we don't understand G-d's ways, the makeup of the Afterlife, etc.

[2] Such as the establishment of courts and laws, the role that angels play, etc.

[3] Though there are an infinite number of offshoots.
