

HAFTORAH SUMMARY FOR PARSHAS KI SEITZEI

by Rabbi Aron Tendler

Isaiah 54:1-10

The Haftorah for this week's Parsha, Ki Sietzei, was taken from chapter 54 in Yishayuhu. It describes Israel as afflicted barren, and inconsolable in the aftermath of the Temple's destruction. The Navi assured the People that Hashem's kindness and love for them is ever present, protecting and sustaining them at all times.
